Say A Prayer for Our Country,

Which is in a sorry state, with the ACLU and others wanting to take God out of everything. This is a country that our fore fathers included God in the starting of our form of government. They declared this to be a democracy where the majority rules. We need to put God back into our lives and their lives.

Dear Members, it is sad to have such a nice group of Catholic men and their lovely wives, that we can only get 11 members and wives to come to our once a month meeting. I would love to see more of you at our meetings. We are open to your suggestions, especially if there is an issue that is keeping you from coming to our Assembly meetings or the council meetings.

Our last meeting was July 12th at the Bloomington K of C Hall, 19 were present, the food was good, the members had a nice time socializing while dinner was ordered and served. We covered some new ground with a Presentation of a fund raising opportunity. The State Council is offering Christmas jig saw puzzles, two different styles, each is 550 pieces I believe and finished size is 18 x 24 inches. The puzzles cost to us is \$10 each, and the state provides sales tools to help in the selling. We would get the priests to talk about these two religious puzzles on a Sunday and then the next Sunday we would have them available for sale. It is suggested we sell them at \$20 each, One is The Babe Jesus in the Manger the other is the 3 Wise Men on their camels. We decided to go ahead and see if we can get a split box and if we have to order in advance. The answers were Yes can do a split box and no you order what you hope to sell and have them on hand, get the money and hand them the puzzle.

A reminder that the Bloomington Council party room is available to rent and you **DO NOT HAVE TO BE CATHOIC TO RENT THE ROOM.** They have Chicken dinners most Tuesday evenings and Tinkers meals on Wednesday evenings both meals are \$7. Friday nights McGivneys Grill is open, serving either a Pork Chop dinner or the second choice varies sometimes it is Parmesan Shrimp . I have had both and they were delicious. \$9 for the Pork Chops, and less for the other selection. The club also offers Burgers and Hot dogs on Saturdays, again the meals are open to the public, so tell your friends and invite them to meet you here for a meal.

We talked about the new laws regarding Video Gambling. The business side (the Bar) will need to have a few in order to be competitive with other businesses in the town. Don't forget to get your BBQ tickets turned in to Dennis or the Club, mark it 4th degree. Master Dean Salz , installed the new officers for 2012-2013. Then he spoke about the last four years and how fast they have gone by, that his term would end August 31st.

He then presented Assembly 0213 with a cross. He told us that there would be an Exemplification Nov 10th, if you have anyone interested please contact us.

In your daily lives if you come across a place where we can meet and eat in a relatively quiet part of the restaurant or in a private room, where we do not have to pay a fee to use the room and the food is reasonably priced, please let me know.

We need to thank our outgoing officers for the work they have done.

We closed the meeting with a Prayer for a missing child, Mason Corbin, age 13. He is missing from Streator.

Dues, we have four members who still have not paid their dues for this year.

Faithfully, Dennis
