GRAND KNIGHT S MESSAGE . . .

Dear Brother Knights

Happy New Year. I trust this note will find you well and enjoying the rest of the holiday season. If not, know that you are in the prayers and thoughts of your Brother Knights.

A new year brings a chance to renew life commitments and to set new goals for the upcoming year. And so it will be at Council 574 in 2011.

We need as a Knights of Columbus Council to reinvigorate our fraternal role in our local Catholic community and the Bloomington charitable community. Some things that we do very well -- Tootsie Roll drive, blood drives, food drives, etc. Other dimensions that extend to the charitable community have been inconsistent or non-existent.

I am suggesting that we begin a true "Surge... with Service" campaign that directly and positively effects the aforementioned communities. We are a "Catholic, family, fraternal, service organization."

Now before you grab your wallet what we are really looking for is time and talent to establish 3 programs this year. The programs would involve Church, Com-

munity, and Council. All three programs would be designed to raise volunteers and funds to benefit our community. Each program would have a committee to develop and support these efforts.

If you are interested or would like to discuss further please give me a call 309-532-0474 or stop me at the Club.

Remember our numbers, if everyone is involved is our strength! We possibly could unleash a volunteer army that can not be matched in doing good works.

Finally, inside the Knights Notes is a survey that I need to have completed for my report to Supreme. Please complete and mail back or drop it off at the club. Thanks.

I remain,
Jeff Sherwood WGK

TOOTSIE ROLL DRIVE FUNDS

We had decided at the October meeting that we would hand out the Tootsie Roll funds at our January 6th meeting. I am hoping that we can have a respectable number of members and their wives or girl friends to represent the club at this presentation. It is really encouraging to hear what these various programs do and how the money raised by our efforts is able to help. So I am asking you and any other member you talk to, to come to this meeting. And to think about trying harder to come to our regular meetings. Attendance has not been very good for years and lately it has slipped even lower. We do need and want your presence and your input at these meetings. The regular meetings have been lasting about 40 minutes and the handing out of money shouldn't take more than another 30 minutes. Ask, remind your friends, please.

Thanks,
Deputy Grand Knight Dennis M. Fries
