GK Report

I had the pleasure of going to the State Convention last month. I was not sure if I wanted to be there or not. Felt like an obligation, until I got to witness what the Knights of Columbus does though out the State. We had a mass on Saturday Night for the convention, 2 Bishops and many Priests to celebrate with us. Bishops don't seem to travel as much anymore but they did for us. The Knights of Columbus is a worthy organization. We may not see much difference at our local level but when combined with the rest of the State, the country and the rest of the World we make a difference. If you don't know it our council 574 is one of the oldest councils in the State, we have been here a long time and we have done more good than you or I could imagine. One of the Speakers talked about the movie "It's a Wonderful Life" with Jimmy Stewart as George Bailey. It made sense that we do not know the good we have done unless we have the opportunity to go back in time and see what we have done, be gone! There are a lot of members who think that if they leave no one will care and the council will go on without them. God has a plan for us all and we are all Catholic and we are all members of the Knights of Columbus for a reason. We are here to makes sure that our families are provided for in case something should happen to us. We are here to make sure our churches and Priests are taken care of. We are here to make sure our community can call on us in a time of need, whether6 financially or by doing community service. We must also be

here for the council to make sure it is taken care of.

Supreme has some goals that they set for each council and if we reach these goals we would pay less for our assessment for our council next year. This is a great opportunity for us to begin to grow right here at home. So if you know of someone interested in joining, bring them down and let us get them through the first Degree program in the next month. If you thought about the insurance but never talked to the Agent give Jason a call (309-261-5550). If you haven't paid your dues or are behind please get them paid, that maybe the only thing you have to do to help this cause. If you are having trouble paying your dues let us know if there is anything we can do for you. If you need us we are here for you also. Anything that you can do as a member of this council to help us reach the goals that Supreme has set by the end of June is appreciated. So please support your council in this effort and future efforts.

We have some events coming up; the election is in June, we are planning the Family Picnic and the Golf Outing. I am looking into a bus trip to a baseball game for the council if we can get some interest. I appreciate anyone who has helped Roger with the Club room, Dan Carmany and Terry Kiesewetter have been really stepping up the past couple months, thank you.

We are a family and I hope to see you all around the club room or at one of the upcoming events.

Ladies Auxiliary News

The ladies auxiliary meeting will be Thursday June 4th at the club at 7:00 P.M. Due to the lack of ladies attending the monthly meetings and in order at this time not to disband the auxiliary the following Amendments to the by-laws will be voted on at the June meeting along with the 2015-2016 officers. The following will be our officers positions: President, Vice President/Secretary, Treasurer and three Trustees. There will only be six meetings during the year.

Julie Wefer, President

We still are doing the St Vincent de Paul Collection box in the Barroom except for when there is an event, then it will be in the office. **Accepting gently used clothing, non perishable or canned food and Hygiene products. Your contributions will help us meet Supreme's goal for us and possibly get us a monetary return which will help our budgeting process.**

Thank you

We have 125 lbs of donations and we are trying to get 500 lbs by the first of June, so we NEED your help.

WE are considering that maybe we should try to have a Fish Fry once a month on a Friday evening. We are also considering some Spaghetti dinners and Pancake and Sausage breakfasts. We want your input PLEASE. You can let Roger Longman know or tell the bartender who will pass your input to Roger. Thank You

By the time you receive this newsletter, you should have received your 2015 dues invoice. If you have an email address in your KofC member profile, you received your notice by email. All others received a paper mailing. Please send in your dues promptly. PLEASE remember to update your profile anytime you have a change in phone number, address, e-mail or anything else. Thank you

CURRENT AND PAST DUES

Dues are due for 2015.

We have 80 names that still owe for this year, and some that owe for prior years, please pay your dues so we can avoid the almost \$50 in postage costs to mail out The "Knight Alert" letters that Supreme says we should mail out NOW to anyone that has not paid their current or past due dues by April 1st.

Consider asking a friend or son or nephew or neighbor to become a member. How do we get new members, by asking. If you are a 3rd Degree consider becoming a 4th Degree Knight.

Election June 18th; Nominating committee report: Steve Scudder - GK, Dan Carmany - DGK, Bob Wefer - Treasurer, Pat Chalmers - Lecturer, Kyle Bourne - Recorder, Charlie Morton - Advocate, Nick Theis- Warden, Matt Boylan - inside guard, Jim Smith - Outside guard, Trustees are Dennis Fries, Ted McNaney and Dave Kraft -

Blood Drive

We had a Blood Drive May 11th and it was successful and netted 40 pints. We are always **pleased and happy to see such great support** for our Blood Drives and **sadly also we are disappointed when a Donor is not able to give when they come.** Sometimes it is low Iron levels and this maybe avoided if you take Iron for a week or so before donation. It has been suggested Flintstone Kids Multi-Vitamin with Iron can help to avoid the low iron reason. **Our next Blood Drive will be July 13th starting at 1:30 PM till 5:45 PM.**

Are you person interested in cooking, WE NEED Additional Food Handling Licensed people. If you think you might have an interest, and even if you don't have a License already, contact Roger at the Club or Dennis at 825-2589.
